Go-Vex™ first-surface convex mirror.

Go-Vex™ convex mirror

Item	Specification
Type	First-surface convex mirror
Coatings	Seven optical coatings for even coverage, transparency, protection against yellowing, scratch protection and dust repelling
Works with	The primary mirror in the Newtonian™ 3; also works in other mirror projection systems
Sizes	Confirm the required mirror size with your distributor
Protection	In the Newtonian™ 3 the mirror sits inside its case; the lid closes over it for transport and a back plate keeps dust off in storage
Care	Never touch the optical surface; handle by the protected edges with clean cotton gloves; blow dust away with a photographic air blower; never rub it dry
Warranty	Shipping damage or coating defects reported within 2 weeks; scratches not covered
Replacement	Replacement Go-Vex™ primary mirrors are available through Go-Dome

Figures are nominal. Your authorized Go-Dome™ distributor confirms the configuration, dimensions and details for your order. On request: ask your distributor for this size or detail.
